Healthcare Christian Fellowship of Ireland
Prayer-Newsletter June 2022

(Registered Charity: 105975)

Dear prayer partner

I was again so touched with God's own question in Isaiah 7:8: "Whom shall I send? And who will go for us?" Isaiah answered, "Here am I. Send me!"

He was a lone prophet. So how was he equipped to intervene? What prompted Isaiah to step forward and offer himself to God was an experience in worship that altered him forever. Isaiah saw God seated on His throne in heaven. His senses were overwhelmed with the magnificence of God's presence. He heard the singing of seraphs, whose voices shook the doorposts and thresholds. Smoke filled the sanctuary. Isaiah was humbled and awestruck.

Everything directed the prophet beyond the current task to the eternal glory of God, reviving and rejuvenating him. Seeing God in all His glory and splendour and worshipping Him equipped Isaiah to serve God.

The more time we spend with the Lord in Prayer and the Word, the more equipped we will become to do effective ministry in HCF of Ireland. When we praise God's holiness and majesty as Christians in the healthcare field, then we are assured of the courage the Lord makes available to us – the power to go on. Like Isaiah, we can face even these hard assignments to go and proclaim Jesus in the health fields with confidence that if God has called us, he will equip us. All He seeks is our willingness.

In HCF of Ireland we can pray and praise the Lord for:

1. Praise the Lord for Charlotte Anne Wells and the seven amazing board members from six different regions in Ireland. A *National Action Team* with five gifted members has also been launched. Pray for wisdom, discernment, and unity as we keep moving forward together as a team. Pray for more workers across Ireland. Pray for more doctors, nurses, care workers, cleaners, administrators, radiologists etc. to get involved at their hospital or community.

2. Pray for people working anywhere in the healthcare fields of Ireland to join and form fellowship groups where they can encourage and pray for each other and together reach out to their colleagues and patients.

3. Pray for Christelle Andrich (National co-ordinator and full-time worker) as she works for HCF of Ireland across Ireland. The harvest is indeed ripe, and she is building contacts with many healthcare staff and prayer partners who can get involved and assist us in this mission for the Lord.

4. Praise the Lord for the radio interviews we had with *UCB Ireland Radio* and *Spirit Radio.* UCB is going to put an advertisement of HCF of Ireland in their Nov, Dec and Jan issues. Pray that more people will hear about us and get involved.

5. Pray that after 19 healthcare staff, having received Saline Process training, will continue to put the 8 tools to evangelise into practise at their own hospitals and churches. Pray for more opportunities to do a ¾ day course with groups of 3 or 4 people each across Ireland.

6. Pray for the Lord's provision to continue as the HCF work grows in Ireland. We are so blessed and thankful to have Ken Rainey as financial advisor on the team. We need money to advance the work of HCF of Ireland.

7. Pray for more churches to get involved in HCF of Ireland and to become prayer partners. Also, for openings to share the vision in their congregations or with individual members. Pray that we will become part of the missions arm of vibrant churches into their communities. Pray that such churches will not see the new fellowship groups as a threat or as a duplication of their own, but rather as an extension of their own.
